

## **Two Best Practices during the session 2018-19**

### **1. Green and Pollution Free Campus**

### **2. Shree Chakradhar Swami Lecture**

1. Title of the Practice

#### **Green and Pollution Free Campus**

### **2. Objectives of the Practice**

To keep the premises beautiful, pleasant, pollution free and eco-friendly, the Garden Club is functioning. To preserve the nature and to create an awareness regarding plantation and preservation of trees amongst the student community, the green campus is maintained.

### **3. The Context**

Since hundreds of students remain present in the premises, fresh, pollution free campus is needed. The concept of green campus is the need of time.

### **4. The Practice**

1. Every year with the commencement of academic session, especially in the month of June, the work of trimming and cutting of the big tree in campus as well plants in the garden is undertaken by the Garden Club.
2. Some more plants and trees added.
3. The construction work of corridor in front of the main college building.
4. Fertile soil filling in the newly constructed corridor.

5. Total expenditure for the above item during 2018-19 was rs.37000/-
6. Regular watering, care and protection of garden.
7. Constitution of Garden Club headed by the Principal and nomination of the Students' Representatives.

#### **5. Evidence of Success**

Nearly thirty big trees comprising palm, gulmohar, etc. are grown in the premises giving shadows to student community. The flowering plants yield beautiful flowers spreading fragrance in the premises and making it more pleasant. Fresh and pollution free air is the outcome of this practice.

#### **6. Problems Encountered and Resources Required**

Shortage of water and extreme heat in summer season is a great threat. To curb this problem, the well in the campus was utilized for watering the plants.

#### **7. Notes (Optional) -----**

1. Title of the Practice

#### **Shree Chakradhar Swami Lecture (Vyakhanmala)**

#### **2. Objectives of the Practice**

To promote the thoughts of Shree Chakaradhar Swami amongst students and to create awareness of Marathi language and its origin, the lecture on the literary works of Shree Chakradhr Swami was organized in the college or the academic session 2018-19.

### **3. The Context**

The one among the first scriptures in Marathi language was written by Shree Chakradhar Swami. That Scripture was 'Lilacharutra'. Since this scripture is the base of Marathi language, the lecture on 'Lilacharitra' stands important.

### **4. The Practice**

The lecture on Shree Chakradhar Swami was organized on 20/02/2019. The president of the event was Pro-VC Dr. Rajesh Jaypurkar. The speakers were Mr. Sandip Tadas and Dr. Mahant Sonpethkar Baba. Prof. Satish Taral also guided for the event. The lecture was organized in collaboration with Shree Vhakradhar Swami Adhyasan Kendra, SGB Amravati University.

### **5. Evidence of Success**

Nearly four hundred students were present for the lecture. In the Question-Answer session, students were asked about the importance of Shree Chakradhar Swami in Marathi language. The students responded in positive manner.

### **6. Problems Encountered and Resources Required**

The event of Lecture on the works of Shree Chakradhar Swami Lecture was very peaceful hence no problem came across.
