Action taken Report for 2020-21

On Feedback forms

The Institution has adopted the system of feedback as per process. Academic programmes of the institution are completed efficiently by the way of feed-back. For achieving this feed-back forms were collected from students, teacher, and alumni for the academic year 2020-21.

The feedback forms were tabled in the college council meeting conducted in the month of April 2020 by collecting all forms by the functioning Feedback Committee. In the meeting of college council the Principal guided in terms of increasing standard of teaching. The feed-back analysis report is prepared and suggestions were given to all the members of faculty about college timing, class hours, and library hours. Instructions were given regarding facilities provided to students, about co-curricular activities, policy division, rules & regulation and academic calendar and about various committees & major activities planned for both odd & even semesters. The feed-back system on teaching effectiveness was implemented in the college. The feedback is taken as parameter for improving the teaching skill. This is done on a four-point scale with a set guidelines. Teachers were guided for improvement & teachers were appreciated by the principal formally in the meeting.
